

California Parks Company

Employer Description:

There's no better place to work than for The California Parks Company. We operate park and hospitality concessions at over twenty-four locations, including some of the most beautiful recreational areas in the United States. We are always looking for fun and friendly people who enjoy working with the public. Full-time, part-time seasonal or year-round positions are available.

You'll get to work in a fresh air environment at some of the most beautiful lakes and national parks in the United States and most of our locations are within 4 hours of San Francisco, California.

Please note: many locations offered by this employer are in rural, seasonal locations, such as National Parks or State Parks. Please keep in mind that you will likely be living in housing in these rural locations, but you will have access to a company vehicle in your non working hours.
